Post Summary Evaluation Report (PSER) of Sponsored Project

The PSER is intended to assist the university in documenting the history of your sponsored project and provide a record of the planned and actual budget and schedule. We also seek recommendations for other projects of similar size and scope. The PSER will be made available on the ORSP website. The PI or director is required to complete the following PSER sections.

1. Grant Number	
2. PI's Name	
3. Project Title	
4. Performance Period *(including authorized extensions)*	

5. Objectives and Deliverables or Equivalent
6. Significant Results of the Project
7. Examples of Progress
8. Technical Difficulties and Solutions
9. List of Publications *(including articles in progress)*

10. Name of the Contractor and Contract Number	
11. Name of Inventor(s)	
12. Title of Invention(s)	
13. Patent or Disclosure Number
