How to Renew an Interlibrary Loan Book

Check the information on the book or in the ILLiad transaction. Some libraries clearly state that books may not be renewed.

Books may only be renewed a week before the due date.

Log-into ILLiad.

Go to Checked Out Items in the View Menu, and then click on the transaction number of the item you wish to renew.
Click on the Renew Request Link at the top of the page. Please note that the book is not automatically renewed. ILL staff will get back with you on either the new due date, or informing you that it cannot be renewed, and you must return it. If it cannot be renewed, you may then submit another request for the same item.
