The Oak Ridge Institute for Science and Education \*(ORISE) is soliciting applications for the Global Change Education Program (GCEP) Graduate Research Environmental Fellowship (GREF) and Summer Undergraduate Research Experience (SURE). For information about GCEP-GREF and GCEP-SURE, and to access application forms and instructions click on the website, <http://www.atmos.anl.gov/GCEP/> . The deadline for the submission of applications is **11:59:59 EST 31 December 2009**; transcripts and Letters of Reference will be accepted via U.S. Mail, email or fax through 11 January 2010 (see contact information below).

**BENEFITS:** GREF---\$1,500 monthly stipend, tuition and fees not to exceed \$10,000 per academic year, and \$1,200 academic research allowance per year. SURE--- \$475 weekly, plus travel. SURE and GREF participants have the opportunity to participate in Orientation and End-of-Summer Workshop.

**AREAS OF INTEREST:** GCEP focuses on a number of technical areas, including atmospheric sciences, ecology, global carbon cycles, climatology, and terrestrial processes. GCEP is currently emphasizing research on aerosols, clouds, and their radiative effects as part of the efforts in atmospheric systems research, as well as, climate modeling within the Climate and Environmental Sciences Division.
