

Licensed and Unlicensed Clinician Openings!

North Range Behavioral Health is a thriving provider of behavioral health services in Northern Colorado. We serve children, youth, families, and adults through a variety of preventive, outpatient, intensive, inpatient and specialized programming. If you're driven to help others, have high standards and a desire to work in a collaborative, innovative environment, consider a career at North Range Behavioral Health.

Licensed and Unlicensed Clinicians are sought to provide on-going assessment, crisis intervention, individual, family, and group therapy as well as case management for individuals with mild to severe mental and/or substance abuse challenges. Bilingual/Spanish speaking professionals are **highly desired** and monetary incentives are available. Positions are available across programs and systems including child/youth/family, adults, jail-based and domestic violence, inpatient and crisis response, integrated care (behavioral/physical health), and school-based services. Full and part-time positions available.

Qualifications:

- Master's degree in counseling, psychology, social work or related field from an accredited college or university
- Colorado Clinical License (LCSW, LPC, LMFT, or LP) required for some positions
- Bilingual/Spanish speaking **highly desired** (monetary incentives offered)
- 2 years' experience in the Mental/Behavioral Health field serving clientele of varying diagnoses and levels of impairment may be required
- Additional experience may be necessary for specific positions

North Range Behavioral Health offers a comprehensive and generous benefit package including medical, dental, and vision coverage, paid time off, holiday pay, retirement savings plan, and much more!
