

Student Career Experience Program (SCEP) Announcement for the U.S. Army Joint Munitions Command (JMC), located at Rock Island, IL

STUDENT TRAINEE - STUDENT CAREER EXPERIENCE PROGRAM (SCEP)

SALARY RANGE: starting salary between \$13.41 - \$18.59 USD per hour

APPLICATION SUBMISSION PERIOD: 18 September 2010 - until further notice (first cut-off will be on or about 1 October 2010)

START DATE: Various start dates available. Students may work full-time for a semester and then go back to school for a semester, or may work part- or full-time all year. Please indicate soonest availability and preferred work schedule on the nomination.

POSITION INFORMATION: The SCEP program provides for periods of attendance at accredited schools combined with periods of career-related work. Students who have met all the requirements of this program may be noncompetitively converted to a career or career-conditional appointment in an occupation related to their academic training and work-study experiences.

DUTY LOCATION: Department of the Army, Headquarters, U.S. Joint Munitions Command (JMC), Rock Island Arsenal, Rock Island, IL 61299-6000.

ABOUT THE U.S. ARMY JOINT MUNITIONS COMMAND (JMC). JMC's mission is to supply America's war fighters with the right ammunition at the right place, on time, every time. JMC provides the conventional ammunition life-cycle functions of logistics sustainment, readiness and acquisition support for all U.S. military services, other government agencies, and allied nations as directed. JMC is the logistics integrator for life-cycle management of ammunition providing a global presence of technical support to frontline units

WHO MAY BE CONSIDERED: Applications will be accepted from degree seeking students enrolled in their junior or senior year. Degree must be related to the positions being filled. We are looking for a variety of degrees, including but not limited to: Engineering, Mathematics, IT, Statistics, Operations Research, Business Administration and Management, and Industrial Technology.

REQUIREMENTS:

- * Open to U.S. Citizens
- * Must be enrolled at least ½ time
- * May be converted to career or career-conditional appointment within 120 days after satisfactory completion of degree requirements
- * Meet security requirements

JOB SUMMARY:

The student will provide support to the Command on various projects/assignments related to the JMC mission with oversight from a Team Lead or Senior Action Officer. The student may be required to travel (accompanied) to production facilities and other Government/Commercial offices.
