

## HOW TO APPLY

An internship can provide a serious student with an inside look into the career or industry they are interested in pursuing.

The experience you gain could last a lifetime.

Three ways to apply:

### 1. ONLINE

Complete an online application at  
[www.doit.state.nm.us/intern.html](http://www.doit.state.nm.us/intern.html)

### 2. EMAIL

Email your application to:  
[rose.nikolai@state.nm.us](mailto:rose.nikolai@state.nm.us)

### 3. MAIL

DEPARTMENT OF INFORMATION TECHNOLOGY

# Paid INTERNSHIP SUMMER 2012

## INFORMATION TECHNOLOGY POSITIONS

June - August  
Santa Fe, New Mexico

A photograph of three young adults (two men and one woman) standing together with their arms crossed, smiling. They are wearing casual clothing. The background is a dark, starry sky with a bright light source.

## **TECHNOLOGY INTERNSHIP SUMMER 2013**

The New Mexico Department of Information Technology (DOIT) Summer Internship Program provides highly motivated and qualified students an opportunity to gain first-hand experience, receive valuable on-the-job training and learn about the many technology professions available in the IT workforce.

DOIT is searching for top-quality college students with a passion for technology and client interaction for IT Specialist and IT Support.

Applicants should be students pursuing a technical degree.

### **SUGGESTED MAJORS**

- Computer Science
- Computer and Electrical Engineering
- Information Technology
- Mathematics with a minor in Information Technology
- Management Information Systems
- Telecommunications

Our interns are viewed as a key source of future talent for IT careers within state government.

Program components include:

- Challenging work experience with technology that impacts our department
- Opportunity to further develop your professional skills
- Interaction with many levels of leadership and management
- Opportunity to network with other interns and employees who have recently begun careers in state government
- Mentor program
- Competitive hourly rate

Internship positions may include:

- Application Development
- Quality Assurance
- Business Analysis
- IT Project Management
- Infrastructure Support
- Networking
- Systems Management
- Virtual Infrastructure
- Storage Management

### **REQUIREMENTS**

You should have a passion for both technology and business and pursue an IT-related undergraduate with a preferred overall GPA of 3.0 or higher.

Additional requirements are:

- Desire for a career in the field of Information Technology
- Technical background
- Demonstrated leadership experience
- Extracurricular involvement
- Motivation to succeed
- Strong communication and analytical skills
- Legally eligible to work in the United States

### **LOCATIONS**

Positions are available in Santa Fe, New Mexico beginning June, 2013 through August, 2013.

Interns will work a 40 hour week schedule at the pay rate of \$13 per hour.

No benefits will be included during the internship paid period.
