La Merced Elementary School currently has two full time positions, a 1st grade teacher and a special education teacher, that need to be filled as soon as possible. La Merced Elementary is a K-6 elementary school located in Belen, New Mexico.

We are the perfect school for a new teacher! We have both a mentor and an instructional facilitator that provide one-on-one support to new teachers. In addition, teachers work in grade level teams providing additional guidance and support. Grade level teams meet for 1.75 hours per week for collaboration and planning.

Belen, New Mexico is a small, quiet town located 35 miles south of Albuquerque. Affordable housing is available in Belen, but it is an easy commute to Albuquerque if a big city is more appealing.

To apply, go to the Belen Consolidated School District webpage at beleneagles.org and the “Employment” tab. Applications are completed and submitted electronically. We encourage graduates with a bachelor's degree outside of education to apply! We will work with a college graduate who is willing to complete the alternative licensure program.

NMHU students interested in a teaching position at La Merced Elementary can contact me if they have questions and/or would like to visit the school.

I look forward to working with a NMHU graduate!
