

Lovelace Medical Group

You're going to LOVE Lovelace!

- **Lovelace Medical Center** is Seeking ICU/Critical Care nurses to work in our 32 Bed ICU.
- To keep things manageable, we are staffing 24 of those beds at 1:1 ratio, when appropriate and necessary we may go to 1:2.
- Our primary patient population includes but isn't limited to; Medical Intensive care, Sepsis, ARDS, and GI Bleeds.
- The ICU is a closed unit with a supportive medical staff including board certified pulmonologists as primary providers and they are engaged in staff education.
- We enjoy a dynamic learning environment, the Charge Nurse is free and available and you will have Patient care tech's to assist you.

Our ICU is a great stepping stone for nurses who wish to become advanced practice RN's!

Although, we Prefer RN's with at least 1 year Critical Care experience, we will consider you if you have at least 1 year of RN experience in a hospital setting.

Please visit www.Lovelace.Jobs to apply and/or call Victor Jensen 505-727-5415

- **About us:** Lovelace Medical Center is a patient-centered hospital featuring state-of-the-art equipment and a round-the-clock Emergency Department. We offer high-quality, high-tech medicine in a facility that has become a symbol of health and wellness in the heart of the city we serve.
- **Albuquerque:** 300 days of sunshine and less than 11 inches of rain per year! If you love the outdoors Albuquerque is ideal, with our temperate climate you can enjoy over 400 miles of bike trails, hiking, camping, golf, fishing and more year round. We are NOT as hot as Arizona! At over 5000 ft. above sea level with a river and a mountain right here in the city, life here is fantastic.

Qualifications:

- Minimum: Associate's Degree or Diploma of Nursing
- Desired: Bachelor's Degree in Nursing
- Desired: One (1) year ICU or Critical Care experience
- Valid NM RN License
- WILL REQUIRE BLS, ACLS and /or PALS.
