Re: Marketing Support Position, part time

Date: 3/12/18

ECC Solar is looking for a marketing support person to help with all aspects of marketing our solar company. Tasks will include developing a marketing plan and budget and implementing the plan. Activities will include:

Media investigation and selection, ad layout, sign layout, vehicle signage, radio ads, Facebook posts and ads, Google business page development and ads, blogs on several media, customer review development and maintenance on various sites, web site development and maintenance, video development and maintenance for both testimonials and educational.

Desired skills include: strong computer skills, self-motivated, work with minimal guidance, strong understanding of social media, Adobe Suite experience, marketing experience.

Compensation is dependent on experience. Some technical tasks can be subbed out, but managed, to create a great customer impression of ECC Solar in the market place.

Interested persons can send a letter of interest and resume to Cary Lane at cary@eccsolar.com.
