

Residential Counselor

Job Type: Full time salary

Employer and location: Carlsbad, NM 88220

Work period: Permanent

Start Date: August 2018

Job Summary/description:

Golden Services is looking to hire a full-time Residential Substance Abuse Counselor for our 30 day residential chemical dependency program. Primary roles and responsibilities for this position include completing intake assessments for all incoming clients, development of individualized treatment plans, weekly individual counseling, regularly scheduled group counseling sessions with clients, reviewing some screenings for potential admission, as well as documentation for such services. Golden Services is a flexible and family friendly work environment.

Qualifications

Applicant must have licensure to provide counseling to individuals with co-occurring disorders.

How to apply (application materials and process):

Please bring your resume to 611 W. Stevens in Carlsbad or e-mail to crystal.smith.gs@gmail.com
