Forestry Technician (Timber Sale Prep) Seasonal/Summer Positions  
USDA Forest Service, Colville National Forest, Republic Ranger District, Republic, WA

The Colville National Forest is looking to fill 2 temp/seasonal positions this summer. We are looking to fill at GS-4 level.

Names will be drawn on March 1, 2010

Qualifications:

A GS-4 must have completed two (2) academic years of post high school education which included at least 12 semester/18 quarter hours in any combination of natural resource type program or 6 months at a GS-3 level of work. See websites for exact qualifications.

Most of the work will be sale layout. Flagging sale boundaries, painting, GPS, and other timber sale related work.

Housing may be available. Work may be available until November dependent on budget and weather conditions. Overtime may also be available.

The Colville National Forest is located in the northeast part of Washington. The Republic RD is the western most district, which makes it the driest district which generally means less brush then the rest of the forest. The city of Republic’s population is about 1000 people. The district resides in the Okanogan Highlands which are rounded mountains with valleys between. The elevation ranges from just over 1,000 ft to just over 5000 ft. The forest has about 8 conifers, of which 5 are commercially viable, and also has aspen stands. The district averages about 1, 6 MBF sale per year. The area has good camping, hiking, biking, and fishing. The climate is generally sunny warm dry summers and cold snowy winters.

The following announcement is posted at https://www.avuedigitalservices.com/usfs/applicant.html: or www.usajobs.gov

TEMP-OCR-462-4-TSP (Forestry Technician - Timber Sales Prep) $13.41/hr
