

STUDENT HEALTH CENTER

901 Baca Street

Las Vegas, NM 87701

Ph: 454-3218

Operated by

El Centro Family Health

(Formerly Health Center of Northern New Mexico)

www.hcnnm.org

Welcome to the Student Health Center We're Here for You!

The NMHU Student Health Center is for the use of currently enrolled students, faculty, staff, and their dependents.

Students have no co-pay (lab and Rx are extra). Dependents may utilize the NMHU Student Health Center at a discount.

In order for us to serve your needs, we request that you call in advance for an appointment at 454-3218.

We accept walk-ins, on a stand-by basis.

Student Athlete physicals can be obtained by appointment.

Students pay a reduced fee for outside laboratory services, plus a \$10 handling fee. Specialty referrals, hospital charges, and Emergency Department visits are the responsibility of the student.

Hours of Operation

The Student clinic is open Monday, Wednesday and Friday from 8 am to Noon and 1 – 5 pm.

On other weekdays, students may access the same quality care at the El Centro main Clinic across the street (1235 Eighth Street).

El Centro Family Health has been operating the Highlands Student Health Center since 1992. This collaborative relationship benefits the highlands community by bringing high quality health care to students and staff free of charge, and at a discount to their family members.

Highlands University contracts with El Centro to help cover costs of care and provides the space for the clinic. A portion of student fees are used to help pay for this contract.
