Note: Provide the following information for each outcome from the previous page. Enlarge the space under each category as needed.

Intended Educational Outcome 1

1. Demonstrate a mastery of content knowledge in their appropriate discipline (content).

First Means of Assessment for the Above Outcome

A. Means of Assessment and Criteria for Success: Describe assessment data, methods for collecting data, and criteria for successful performance.

- A majority of graduating students receive a GPA of 3.0 or above in HPS major coursework. While GPA is not our typical “means” for assessing our program outcomes, we use GPA in this instance as a benchmark for our own internal assessments of students’ overall exit performance from our program. This program includes emphasis areas in exercise science, recreation management, and physical education.

A. DATA RESULTS: Summarize results from data collected.

1.

A. USE OF RESULTS: Describe how results are used for program decision-making and improvement, with evidence of how decisions are implemented.

Intended Educational Outcome 2

2. Demonstrate the ability to use technology to enhance professional productivity (technology).

First Means of Assessment for the Above Outcome

A. Means of Assessment and Criteria for Success: Describe assessment data, methods for collecting data, and criteria for successful performance.
