

ADDENDUM #3

To: All Planholders

Date: April 19, 2010

RE: Diamond/Douglas Parking Lot Improvements

Description of Changes:

Drawings:

- 1) The removal and disposal of all trees and associated root systems, clearing and grubbing, existing retaining walls, concrete steps and sidewalks, asphalt surfacing, concrete rubble, and concrete curb & gutter shall be paid under the "Removal of Structures and Obstructions" item and no separate measurement or payment will be made for this work.
- 2) The proposed retaining wall shall match the same type of block as the existing retaining wall including the top cap detail.

General:

- ☐ All other requirements associated with this project will remain unchanged.
