

NMHU PURCHASING DEPARTMENT

SOLE SOURCE JUSTIFICATION FORM

A sole source procurement is one for which only one vendor is capable of or allowed to perform a particular service and/or construction or for a tangible item that can be offered by only one vendor. A sole source procurement must comply with §13-1-126 and §13-1-128 N.M.S.A. 1978 and all other state statutes and federals pertaining to sole source procurements.

Submittal of this form is one of the steps required prior to approval of the procurement (approved via issuance of a purchase order). If this procurement is approved by the NMHU Purchasing Department it will then be posted onto the University's website and the State of New Mexico's Sunshine Portal. The posting will be for no less than thirty (30) calendar days. If a potential vendor submits a protest against a sole source procurement within that timeframe, the sole source will not be awarded until, and if the protest is resolved.

This form must be completed in its entirety. If it is not completed in its entirety it will not be accepted and will be returned to the requestor.

Describe the tangible item(s), construction and/or service(s) you would like to procure.

IBM SPSS statistics standard campus edition, campus value units license subscription and support for 12 months, renewal.

Provide the following:

Vendor Name International Business Machines Corporation

Address International Business Machines Corporation, PO Box 643600, Pittsburgh, PA
15264-3600

Name of Company Representative

Company Contact Information

Email Monica Young <monicay@us.ibm.com>

Telephone 312-651-3157

Fax

Amount of Proposed Sole Source \$ \$37,559.34

Can this procurement be made by the regular Invitations for Bids (lowest bid amount) or Request for Proposals (qualifications-based) process? If not, explain why.

No, IBM is the sole source for a campus wide subscription license and maintenance for SPSS.

What other tangible items, services or construction methods did you consider? Specify the specifications, sources, technical data and any other non-tangible factors that you considered.

The University could purchase individual educational licenses for SPSS but it would cost approximately \$134,985 and it does not include updates and support.

Which other companies did you contact for the tangible item(s), construction and/or service(s)? Provide the name of the company, representatives you spoke to and contact information.

If you do a search on the web for SPSS campus wide subscription, you will not find a vendor offering it.

Did you rely on information from other individuals to make your determination, if so by who and what information did they provide?

No

Provide any additional information that may be useful in making a determination.

The University uses the software SPSS in the instructional area of Social Works, Behavior Science, Math, Education, and Business.

Attach to this department quotes, technical specifications or other data that describes the tangible item(s), service(s) and/or construction.

I certify that all the information provided in this document and all attachments (if applicable) are to the best of my knowledge and I understand that there are penalties for willful violations of the State of New Mexico Procurement Code.
