Overview for FY 2020–21

The annual New Mexico Highlands University Fact Book is a publication of the Office of Institutional Effectiveness and Research and the Office of the President. The Office of Institutional Effectiveness and Research is the official source of University statistics that are provided to the State of New Mexico—Higher Education Department, IPEDS, faculty, staff, students, and countless other constituencies who require such data.

This statistical information is utilized for, and supports, decision-making processes within all academic and administrative units of the university, Faculty Senate and various committees within the Institution, the Board of Regents, state and federal agencies, and professional and private organizations.

The Office coordinates the collection of data, preparation of reports, and the submission of files. It also publishes research reports that reflect information gathered from current or archived files.

Every effort has been made to ensure that the data contained in this document is accurate. For further information about this and other reports, contact Shawn Flood, Institutional Research & Assessment Analyst at 505-426-2020.

Mission

New Mexico Highlands University is a public comprehensive university serving our local and global communities. Our mission is to provide opportunities for undergraduate and graduate students to attain an exceptional education by fostering creativity, critical thinking and research in the liberal arts, sciences and professions within a diverse community.

Vision

Our vision is to be a premier comprehensive university transforming lives and communities now and for generations to come.

Core Values

Excellence, Diversity, Accessibility, Responsiveness

NMHU Strategic Plan 2025

- Teach and mentor students to integrate a broad range of academic skills, a breadth and depth of curricular knowledge and an interdisciplinary understanding.
- Inspire students to action through environments that foster scholarship and produce graduates equipped to address regional and global issues.
- Engage with and serve our communities for mutually beneficial exchanges of knowledge, services and resources.
- Advance excellence in diversity, equity and inclusion policies and practices.
- Be a comprehensive educational provider for all students including traditional, non-traditional, online, distance, community and lifelong learners.

Statement from President Minner

New Mexico Highlands University has been an important educational, cultural, social and economic asset in New Mexico and particularly Northern New Mexico since 1893. Our graduates achieve great things for themselves and for the many communities they serve.

We take pride in thinking about Highlands as an institution committed to student access and success. Quite simply, Highlands is an excellent value—a place students receive a great education at a very affordable cost. We strive to focus on student success and one important factor in student success is affordability. But, other outcomes are also important at Highlands. We want our students to experience deep and meaningful learning commonly associated with high-impact educational practices such as undergraduate research, internships, study-abroad experiences, service learning projects directly connected with classes and other community-based activities. We want our students to graduate with the knowledge and tools to achieve a successful first destination—a good job or placement in a good graduate program. We also want our graduates to have a successful long-term career. We seek to engineer a student experience characterized by a vibrant campus life including extracurricular activities, a rich co-curricular environment, and for those students desiring a residential experience, a safe and comfortable living environment. Most critically,

at Highlands we focus on both roots and branches—each student's unique background, cultural heritage and familial values and customs while also focusing on branches—each student's goals, passions and dreams. We honor the past—the roots—but are also honored to be a part of the future—the branches.

I personally feel very fortunate to be even a small part of our noble mission and to play a small role in making the dreams of our students come true.

A handwritten signature in black ink, which appears to read "Sam Minner". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.

Sam Minner, President

Highlands University Board of Regents

Leveo Sanchez is a dynamic leader with decades of domestic and international business success and distinguished public service. He is a New Mexico native and returned to the state in 2006. From 1966 through 2005, Sanchez established several successful businesses in governmental and management consulting, banking, real estate development and investment, property management and export trading.

William Garcia is the former cabinet secretary of economic development for the state of New Mexico and has had a distinguished career in business, taking an active leadership role with numerous New Mexico businesses and civic organizations. García was named a Highlands University distinguished alumnus in 1986. He served on the Highlands Foundation board since 1986, including leading as board president, and was a founding member of the Highlands Alumni Association in the early 1980s.

Danelle Smith, a Las Vegas, New Mexico attorney, has worked in state and local government for more than 30 years. Smith earned her Doctor of Jurisprudence from the University of Texas School of Law at Austin in 1975 and was admitted to the New Mexico Bar in September 1975. She has practiced law in Las Vegas, New Mexico ever since.

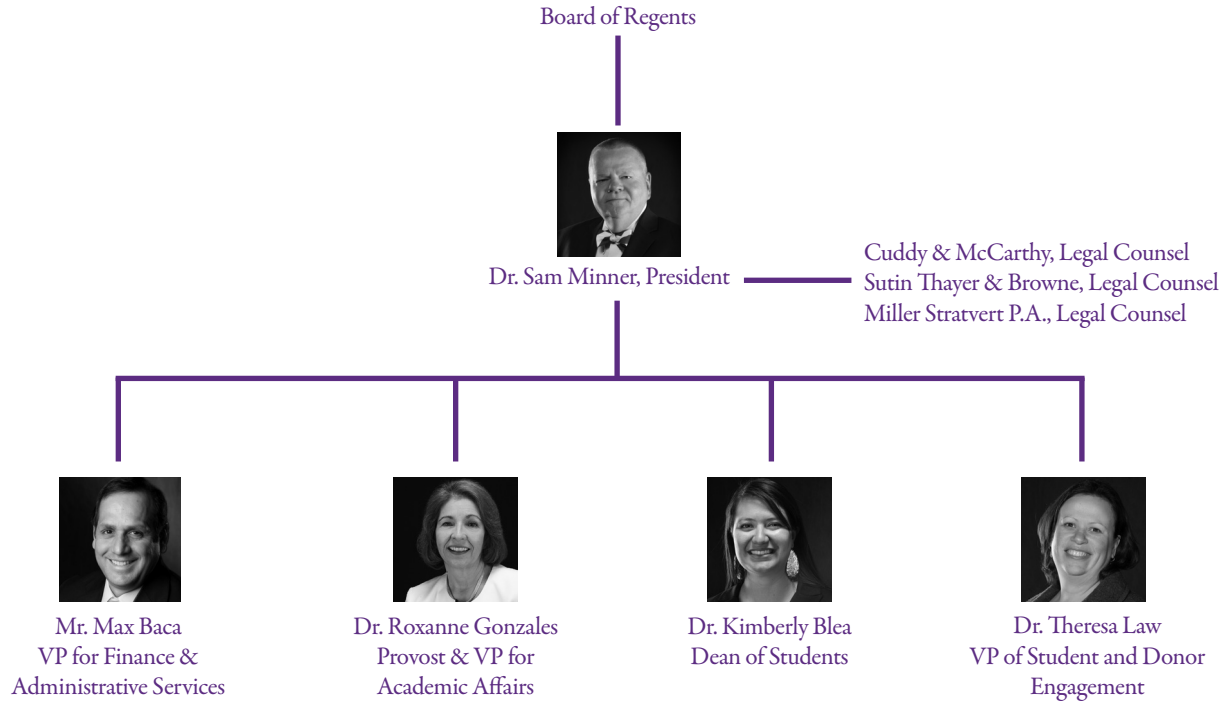

Frank Marchi has had a distinguished career as an insurance executive for Manuel Lujan Insurance, Inc. in Albuquerque, where he is currently a business consultant. Prior to that, he was chief operating officer, president of the board of directors and senior vice president for the insurance agency.

Christopher Ulibarri, a student government leader at New Mexico Highlands University, is the university's newest student regent. New Mexico Gov. Michelle Lujan Grisham made Ulibarri's appointment official March 13, 2020. Ulibarri's term extends to the adjournment of the next regular session of the New Mexico State Legislature in 2021. Ulibarri, a 19-year-old from Buena Vista, New Mexico, north of Las Vegas, has earned a 3.93 GPA to date as a triple major in political science, environmental geology and history. His expected graduation date is December 2022.
