Services Provided to Third Party Agencies

Third party recruiters are agencies, organizations or individuals recruiting candidates for employment opportunities other than for their own needs. Third party recruiters using Highlands University Career Services are expected to follow the same policies and procedures established for recruiters representing their own organization. In addition, third party recruiters are expected to adhere to several specific practices to ensure open and accurate communication with Highlands University students.

Career Services will provide assistance to third party agencies only when a third party recruiter meets the following conditions:

- Meets the NACE and EEO policies and laws described above.
- Charges no fees to the candidate.
- Reveals to Career Services the identity of the employer being represented and the nature of the relationship between the agency and the employer, and permits the career center to verify this information by contacting the named client.

Third party recruiters are allowed to interview on campus or participate in career fairs when the above conditions are met. Career Services may require the name of the employer being represented to be identified on all announcements.

Resume Referrals

By policy, Career Services typically releases resumes to direct hire employers only. However, resume referrals may be processed for third-party recruiters if the name and location of the hiring company is disclosed and there is permission for Career Services to verify this information by contacting the named client. In order to process a resume referral, we require a job description including the name and description of the hiring company.
