Failure to provide all information, inaccuracy or misstatement may be sufficient cause for rejection of the Proposal or rescission of a Contract. Proposers are encouraged to provide any additional information describing any additional abilities.

All responsive Proposals will be reviewed independently by each member of the evaluation committee. Their evaluations will be based on the Proposal as a whole and will be scored solely on the requirements, data, information and related responses to the RFP.

SELECTION CRITERIA

All Proposals shall be reviewed for compliance with the mandatory requirements as stipulated within this RFP and procurement statutes. Proposals found not to be in compliance will be rejected from further consideration. Proposals which are not rejected will then be evaluated based upon the following weighted criteria. <u>Description</u>	<u>Weight</u>
1.) Capability of providing legal services as stated in this RFP.	30 points
2.) Experience with and representation of institutions of higher education and educational law, including any special training, higher education related seminars, or other specialized experience.	20 points
3.) Experience with public agencies and administrative bodies in the State of New Mexico.	20 points

Points will be awarded based on Proposers/Proposers ability to provide a copy of a current Resident Business Certificate or Resident Veterans Certificate.

In addition, the attached certification form must accompany any RFP and any business wishing to receive a resident veteran’s preference must complete and sign the form.

RFP’s are to be evaluated on preference as follows:

In addition, to the total points on an RFP, a percentage of additional points must be added for preference award. For example; an RFP has a total value of 100 points. Five proposals are received; one from a resident business (five percent [5%] preference), one from a resident veterans business with an eight percent (8%) preference and three non-resident (no preference) businesses.

The two resident business preference businesses would receive five (5) points for a maximum of one-hundred and five (105) points and the resident veterans business preference would receive eight (8) points to their already evaluated score, making it possible for the highest score total of one-hundred and eight (108).

With respect to duties, terms, and conditions over which the parties are in dispute, except as otherwise provided herein, NMHU may elect to attempt to resolve the matter by mediation or arbitration. Resolution in this matter does not preclude NMHU from seeking any possible legal remedy.

3.21 TERMINATION OF CONTRACT

A. Cancellation Without Cause for Convenience

1. Either party may cancel this Contract and/or the rendering of Services without cause by providing the other party written notice at least ninety (90) days prior to the non-renewal or expiration of the initial one (1) year term or during any subsequent one (1) year term. If cancellation is made by NMHU, it will be considered a cancellation for convenience;
2. Cancellation will be considered on the day the party mails or emails the cancellation notice. If emailed, an original must be mailed to the other party within two (2) business days;

3. Cancellation without cause does not grant the Contractor any financial compensation for future, anticipated or unearned profits;
4. The Contractor will be paid for Services rendered and accepted up to the last day of the cancellation. The Contractor is to continue to provide its Services until the last day of the cancellation and will be required to complete any and all remaining obligations; and
5. In the event of termination and/or expiration of this Contract, Contractor agrees to provide reasonable cooperation in ensuring a smooth transition to another provider of Services.

B. Cancellation for Default

1. Should the Contractor at any time violate any material conditions of the Contract or fail to comply with any of his contractual obligations, NMHU may, by written notice to the Contractor, demand that the Contractor remedy such violation or failure. Failure on the part of the Contractor to fulfill contractual obligations shall be considered just cause for termination of this Contract. NMHU will then no longer be bound to the Contract or further obligations;
2. If, after receipt of the notice from NMHU specifying each failure, the Contractor does not cure such failure within a period of twenty (20) business days, or by a different deadline specified by NMHU if, in its sole discretion, it feels a different period is acceptable, NMHU may terminate the whole or part of the Contract in question. An exception to this policy will occur in cases where the deficiency is deemed by NMHU to have the potential to result in direct endangerment to the health of any individual or individuals associated with Contractor or NMHU. In this case, NMHU may choose to intercede and take immediate corrective action, charging all costs of doing so to the Contractor;
3. If the Contractor does not correct a deficiency upon written notice by NMHU and within the time frame specified, NMHU may terminate the Contract by written notice to the Contractor. The notice shall specify the acts or omissions relied upon as cause for termination. NMHU shall pay the Contractor fair and equitable compensation for satisfactory performance prior to receipt of notice of termination, less the amount of damages caused by Contractor's breach. If the damages are more than the compensation payable to the Contractor, the Contractor will remain liable after termination and NMHU can affirmatively collect damages;
4. In the event that NMHU terminates the Contract in whole or in part as provided herein, it may procure, in such a manner as it deems reasonable and appropriate, such Services as required by the Contract and the Contractor shall be liable for any cost for such Services. However, if the Contract is terminated in part, the Contractor shall be required to continue the performance of the Contract to the extent not terminated under the provisions of this clause, while remaining liable for any cost of Services obtained by NMHU to cover Services canceled due to the Contractor's inability or unwillingness to cure such failure;

5. Upon entry of a judgment of bankruptcy or insolvency by or against the Contractor, NMHU may terminate this Contract; and
6. In the event of termination and/or expiration of this Contract, Contractor agrees to provide reasonable cooperation in ensuring a smooth transition to another provider of Services.

C. Cancellation for Non-Appropriation of Funds

1. If NMHU funds are not appropriated or otherwise made available for continued performance for any fiscal period of this Contract succeeding the first fiscal period, this Contract shall be cancelled automatically as of the beginning of the new fiscal year for which funds were not appropriated or otherwise made available; provided, however, that this will not affect either NMHU's rights or Contractor's rights under any termination clause in this Contract. NMHU's fiscal year begins on July 1st of each year and concludes on June 30th of the following year;
2. The effect of termination of the Contract hereunder will be to discharge both Contractor and NMHU from future performance of the Contract, but not from their rights and obligations existing at the time of termination;
3. NMHU shall notify Contractor as soon as it has knowledge that funds may not be available for the continuation of this Contract or any portion thereof for each succeeding fiscal period beyond the first;
4. NMHU's determination of funding under this section shall be final and accepted by Contractor; and
5. In the event of termination and/or expiration of this Contract, Contractor agrees to provide reasonable cooperation in ensuring a smooth transition to another provider of Services.

D. Termination for Nonpayment

Contractor may terminate this Contract or suspend services for nonpayment of properly submitted and accepted invoices within forty-five (45) days of receipt of the invoice by NMHU. If NMHU disputes an invoice or portions of it, Contractor cannot terminate this Contract for nonpayment of the disputed portions.

3.22 NON-EXCLUSIVE WORK

Contractor shall be responsible for supplying, maintaining, repairing, replacing, paying for, securing, and renting all equipment and materials necessary to complete the Services required by this Contract.

NMHU and the Contractor agree that those obligations of the parties which by their terms require performance after termination or expiration of the Contract, shall survive the termination or expiration of this Contract.

3.25 CONFIDENTIALITY

Any information and other data developed or acquired by or furnished to Contractor in the performance of this Contract shall be kept confidential and shall not be made available to any individual or organization without the prior written approval of NMHU. - B. Contractor agrees not to purport to bind NMHU or the State of New Mexico to any obligation not assumed in this Contract by NMHU or the State of New Mexico, unless Contractor has express written authority to do so, and then only within the strict limits of that authority; and
- C. Contractor agrees that it and its subcontractors will maintain general liability, product liability and property damage insurance in reasonable amounts (at least equal to the New Mexico Tort Claims Act limits) covering the above obligation and will maintain workers’ compensation coverage covering all employees performing under this Contract on premises occupied by or under the control of NMHU. The liability of NMHU will be subject in all cases to the immunities and

limitations of the New Mexico Tort Claims Act, Sections §41-4-1 et seq. N.M.S.A. 1978, as amended.

Any provision required to be included in a purchase order or contract of this type by any applicable and valid executive order, Federal, State or local law, ordinance, rule or regulation shall be deemed to be incorporated herein.
