Subject: Final draft of CCOA plan to send out for feedback/input
Attachments: Draft of CCOA Process_mergedall.docx

Hi all,

Thanks to all your efforts, I think we have a document we can send out for review. I am officially handing this off to Brandon to send out to the right constituencies.

Thank you all for getting this put together (especially Buddy for the patient and persistent formatting/editing).

We may have to meet one more time to incorporate feedback but we are REALLY close- yay!

Elizabeth
