**Importance:** High

Greetings,

As a follow-up to last week's retreat for the campus centers, I'd like to invite you to serve on the *Visioning for Campus Centers* task force. This task force will be charged with:

- Recommend two to three different organizational structures:
  - address the needs of the centers today
  - address the needs of the future
  - address the needs of online students
  - possible program expansion
  - address potential co-location with community colleges
  - fiscally responsible
- Identify two – three models for student support at the campus centers and online
- Identify two – three models for academic support at the campus centers and online
- Identify a model for library support for the campus centers and online
- Identify other areas of need for campus centers

This task force will have an aggressive timeline, I'd like to have the final recommendations no later than July 7. Below and attached are additional resources.
