    - **JoVE Chemistry**
      - JoVE is a video database dedicated to teaching laboratory fundamentals through simple, easy to understand video demonstrations.
    - **JoVE Environmental Science**
      - JoVE is a video database dedicated to teaching laboratory fundamentals through simple, easy to understand video demonstrations.

5. If you are off campus, you will be prompted to login using your NMHU username and password.
   a. Your username is everything before the @ symbol of your student email (ex. jdoe93 would be the user name for a student with the email jdoe93@live.nmhu.edu)
   b. Your password must have been changed from the temporary password.
   c. If you are accessing the database from a work computer, please note some institutions have strict firewalls (schools, government agencies, hospitals). You may have to contact your IT department to get into our resources.

6. The search interface will vary depending on which video database you have selected. For database specific tutorials, please visit the library’s tutorial webpage: [http://www.nmhu.edu/library/reference-information-services/library-tutorials/](http://www.nmhu.edu/library/reference-information-services/library-tutorials/)

   **Need further assistance? Please contact the library at 505-454-3401 or libinfo@nmhu.edu.**
