Original Modality, please place an X: Face-to-Face Synchronous Blended Asynchronous

• Definitions:

- Synchronous: 100% with set meeting times via Zoom/other technology, may include the use of Brightspace for course activities, Dropbox, etc.
- Blended: course has required meeting times with augmentation of course work such as discussions asynchronously in Brightspace
- Asynchronous: 100% online in Brightspace with no set meeting times
- Alternative: None or some of the above, email use, some on ground for labs/studios in small or one-on-one settings etc.

Disposition of Class after March 30th (put X on the line):

NOTE: You cannot move the hours of your class. If you Zoom, you must schedule the course during your already scheduled class times.

___ Synchronous (same meeting times as original class)

___ Blended (reduced meeting times compared to original class) and with asynchronous added.
Specify reduced meeting times:

___ Asynchronous

___ Alternative (describe):

How will you achieve the learning outcomes for the course, including making up the missed contact hours due to the March 23rd – 27th cancellation of classes? Examples: moving to Zoom twice a week, adding extra assignments, extra readings, extra asynchronous lectures and/or discussions.
