

NMHU Strategic Planning Meeting:

May 27/ 2020

Meeting started 1:30 P.M. Zoom Participation

Sara Harris, Buddy Rivera, Tamlyn Crain, Rebecca Maldonado -Moore, Vince Howell, Lee Allard, Ian Williamson, Eric Romero

Discussion Items:

Summary Review of survey information. Including participation percentages. 168 total significant distribution of respondents.

Some discussion of how to synthesize data to be then presented to university community.

Some discussion of qualitative information and how to utilize comments for elaboration of Objectives and determination of finalized number objectives.

Discussed relevancy and application of qualitative survey comments, particularly those that were concerns of overall university structuring and not necessarily related to strategic planning proposed goals and objectives.

Began work on Measurables; Ian has advanced on Goals 1&2

Discussion of Measurables will facilitate for a reduction in overall Objectives

Discussion continued on how many Objectives should be developed for each Goal

Additional discussion of measurables for Goal 1 Objectives 1-6

Identification and Discussion of procedure for determining and sharing “enhanced” scholarship within and outside of NMHU institution

Discussed additional charges to committee to continue to develop Measurables for Goals 2-5

Committee agreed to utilize SMART Criteria to determine viability of Objectives for each Goal. All members will use the SMART criteria to evaluate feasibility of individual Objectives.

This assessment will be utilized in the next meeting to tighten up Goals/ Objectives and Measurables

Strategic Planning Committee will have a workshop/presentation during Faculty Development Week Aug 11-13 to advance discussion of Strategic Planning with NMHU Faculty
