

Outcome Measures 2022-23

Institution: New Mexico Highlands University (187897)

User ID: P1878971

Overview

Outcome Measures Overview

Welcome to the IPEDS Outcome Measures (OM) survey component. The OM component collects award and enrollment data from degree-granting institutions on four undergraduate cohorts and eight undergraduate subcohorts at three status points: four-years, six-years, and eight-years after entry.

The four cohorts of degree/certificate-seeking undergraduates are:

- First-time, full-time entering (FTFT)
- First-time, part-time entering (FTPT)
- Non-first-time, full-time entering (NFTFT)
- Non-first-time, part-time entering (NFTPT)

For each cohort, two subcohort groups have been added to the OM component - Pell Grant recipients and Non-Pell Grant recipients - resulting in eight undergraduate subcohorts.

Data Reporting Reminders:

- Report data to accurately reflect the time period corresponding with the IPEDS survey component, even if such reporting is seemingly inconsistent with prior-year reporting.
- All institutions must report on a **FULL-YEAR** cohort. The OM cohort year is 2014-15. The full-year cohort coverage period is July 1, 2014 - June 30, 2015.
- Institutions will establish their OM cohorts based on their subcohorts of entering Pell Grant recipients and Non-Pell Grant recipients. Institutions should first identify their entering degree/certificate-seeking undergraduates during the cohort coverage period of July 1, 2014 - June 30, 2015, and place each student in the appropriate subcohort. Each student should be reported only once.
- All institutions are required to report transfer-out student data.
- For each status point, institutions will report the highest type of award conferred to a student for each subcohort. The three award categories are certificates, Associate's degree, and Bachelor's degree.
- Institutions should report exclusions for the entire eight year period only on the "Establishing Cohorts" screen. Additional exclusions cannot be reported on the status point screens (i.e., four-years, six-years, or eight-years after entry).
- IPEDS will ask for an estimated time it took to complete the OM component. Include in that estimate the time to review instructions, research data sources (i.e., coordinate with IT and Student Aid offices), complete and review the component, and submit the data.

Changes to reporting

The following changes were implemented for the 2022-23 data collection period:

- References to summer term were changed to summer session.
- A note was added to clarify the timeline for tracking students' subsequent enrollment statuses.
- FAQ #15 on consistent reporting of EF, E12, and OM has been updated for clarification.

Important Dates to Remember:All reporting institutions will report on degree/certificate-seeking undergraduates who entered the 2014-15 cohort year: **(July 1, 2014-June 30, 2015)**.

- Four-year status point was as of **August 31, 2018**
- Six-year status point was as of **August 31, 2020**
- Eight-year status point was as of **August 31, 2022**

Reporting Tips

Carefully read each [OM FAQ](#) before reporting your institution's data.

Resources:

- To download the survey materials for this component: [Survey Materials](#)
- To access your prior year data submission for this component: [Reported Data](#)

If you have questions about completing this survey, please contact the IPEDS Help Desk at (877) 225-2568.

Establishing Cohorts

2014-15 Entering Undergraduate Cohort

July 1, 2014-June 30, 2015: Full Year

- Begin by identifying your entering degree/certificate-seeking undergraduates for the full year of July 1, 2014 - June 30, 2015.
- Then report each student under one of the eight subcohorts (Pell or Non-Pell Grant recipients FTFT, FTPT, NFTFT, NFTPT).
- Each entering student should be reported only once.
- The four cohorts and total entering students will be calculated based on your subcohort reporting.

NOTE: Once a student is in the cohort, the student remains in the cohort, even if the student's attendance status changes (i.e., full-time to part-time, or vice versa) or if the student drops out, transfers out, or transfers back into the institution during the eight-year period. However, institutions can make adjustments to the cohort for allowable exclusions, which include the death of a student, permanent disability, military deployment, or service on an official church mission or with a foreign aid service of the Federal government. Exclusions are for the ENTIRE eight years for the entering 2014-15 cohort.

 <u>Degree/Certificate-Seeking Undergraduate Students</u>	<u>2014-15 cohort</u>	<u>Exclusions to 2014-15 cohort</u>	<u>Adjusted 2014-15 cohort</u>	<u>Prior year Adjusted cohort</u>
<u>First-time entering</u>

Award Status at Four Years

Award Status at Four Years After Entry 2014-15 Entering Undergraduate Cohort

(July 1, 2014-June 30, 2015: Full Year)

Directions: From the adjusted 2014-15 cohort, report the number of students who earned an award at four years after entry for each subcohort. Report the highest award earned for each degree/certificate-seeking student for the four-year status point (August 31, 2018) even if a student earns multiple awards.

<u>Undergraduate Students</u>	Adjusted 2014-15 cohort	Number of students conferred an award by your institution (Highest Award by August 31, 2018)			Total number of adjusted cohort that received an award from your institution	Percent of adjusted cohort that received an award from your institution

Award Status at Six Years

Award Status at Six Years After Entry 2014-15 Entering Undergraduate Cohort

(July 1, 2014-June 30, 2015: Full Year)

Directions: From the adjusted 2014-15 cohort, report the number of students who earned an award at six years after entry for each subcohort. Report the highest award earned for each degree/certificate-seeking student for the six-year status point (August 31, 2020) even if a student earns multiple awards.

<u>Undergraduate Students</u>	Adjusted 2014-15 cohort	Number of students conferred an award by your institution (Highest Award through August 31, 2020)			Total number of adjusted cohort that received an award from your institution	Percent of adjusted cohort that received an award from your institution

Non-Pell Grant recipients	343	0	0	178	178	52

Award and Enrollment Status at Eight Years

Award and Enrollment Status at Eight Years After Entry: 2014-15 Entering Undergraduate Cohort

(July 1, 2014-June 30, 2015: Full Year)

- From the adjusted 2014-15 cohort, report the number of students who earned an award at eight years after entry for each subcohort.
- Report the highest award earned for each degree/certificate-seeking student for the eight-year status point (August 31, 2022) even if a student earns multiple awards.
- For students who did not receive an award from your institution, first report the number of students who are still enrolled at your institution, and then report the number of students who had enrolled at another institution over the eight-year period.

Note: Subsequent enrollment should be tracked for the entire period of eight years after entry.

<u>Undergraduate Students</u>	Adjusted 2014-15 cohort	Award Status at Eight Years After Entry						Enrollment Status at Eight Years After Entry

 You may use the box below to provide additional context for the data you have reported above. Context notes will be posted on the College Navigator website. Therefore, you should write all context notes using proper grammar (e.g., complete sentences with punctuation) and common language that can be easily understood by students and parents (e.g., spell out acronyms).

Reporting Reminders:

- The name of the preparer is being collected so that we can follow up with the appropriate person in the event that there are questions concerning the data.
- The Keyholder will be copied on all email correspondence to other preparers.
- The time it took to prepare this component is being collected so that we can continue to improve our estimate of the reporting burden associated with IPEDS.
- Please include in your estimate the time it took for you to review instructions, query and search data sources, complete and review the component, and submit the data through the Data Collection System.
- Thank you for your assistance.

Summary

Outcome Measures Component Summary

IPEDS collects important information regarding your institution. All data reported in IPEDS survey components become available in the IPEDS Data Center and appear as aggregated data in various Department of Education reports. Additionally, some of the reported data appears specifically for your institution through the College Navigator website and is included in your institution's Data Feedback Report (DFR). The purpose of this summary is to provide you an opportunity to view some of the data that, when accepted through the IPEDS quality control process, will appear on the College Navigator website and/or your DFR. College Navigator is updated approximately three months after the data collection period closes and Data Feedback Reports will be available through the [Data Center](#) and sent to your institution's CEO in November 2023.

Please review your data for accuracy. If you have questions about the data displayed below after reviewing the data reported on the survey screens, please contact the IPEDS Help Desk at: 1-877-225-2568 or ipedshelp@rti.org.

Edit Report

Outcome Measures

Source	Description	Severity	Resolved	Options
Screen: Award and Enrollment Status at Eight Years				
Screen Entry	You reported 114 full-time first-time students subsequently enrolled at another institution after leaving your institution within 8 years via the OM component, but also reported 122 full-time first-time student transfers within 150% via the 2020-21 GR component. These components report on overlapping portions of the 2014-15 full-time first-time undergraduate student cohort, and we would expect the OM subsequent enrollment count to be greater than or equal to the GR component transfer count. Please review your data and make any necessary corrections or explain the discrepancy. (Error #13432)	Explanation	Yes	
Reason	The reason for this discrepancy is because it's a possibility that students that left New Mexico Highlands University to pursue a degree at another university may or may not have returned to New Mexico Highlands University to finish and/or continue their education.
